RECENT HIGH SCHOOL GRADUATES (High School Seniors only)

Please consider me for one of the following scholarships, **SELECT ONLY ONE**:

Academic Scholarship: This scholarship is intended for recent high school graduates who have a cumulative weighted 3.0 GPA or above and are ineligible to receive the Florida Bright Futures Scholarship. Recipients must enroll in Fall 2025 classes by July 31st and maintain continuous full-time enrollment in Spring 2026. The scholarship will be applied towards tuition, fees and/or books up to \$1255 each term. This scholarship may be renewable for a second year provided the student maintains full-time enrollment and a 3.0 cumulative GPA.

Bright Futures Companion: This scholarship is intended for recent high school graduates who will be Bright Futures recipients and will attend Seminole State College in the fall term following their senior year. The companion scholarship covers \$300 each Fall and Spring Term for two consecutive years provided the student maintains Bright Futures eligibility. If you are uncertain about your Bright Futures eligibility, it is recommended to apply for the Academic Scholarship. Students awarded the Academic Scholarship who become Bright Futures eligible **may** be considered for the Bright Futures Companion instead.

Please be aware that other scholarships and sources of financial aid may be taken in to consideration before scholarships are released. According to federal guidelines, students who are considered over awarded may not be eligible to receive additional scholarship funds. Scholarship awards are contingent upon availability of institutional funds.
